

Rules

Participations will only be confirmed for those participants who have paid the registration fees (event wise). Participants will have to produce receipt of payment (event wise) whenever it will be asked.

The list of eligible participants (those who have paid the fees) will be displayed on webpage atleast one day in advance of GTU Techfest 2015.

In case of participants have paid the registration fees through online module, participants will be considered eligible only after releasing of payment from participants. They will not be eligible if they have not released the payment through Payumoney module.

Participants will have to report to registration desk on to the first day(before 11:00 a.m.) of GTU Techfest. Participants certificate will be issued only if they will report on first day, no participants certificate will be issued if they report on second day.

Participants will have to report to their respective event venue in time strictly. If participants fail to register at the event venue, the certificate will not be issued.

Participants should carry their valid ID card.

We have tried our level best to avoid clashing of events for participants. However, in case of clashing of events, participants have to make their own choice about participation and the decision of the organizing institute will be finalized and should be abide by participants.

In case of number of registered participants will be less than 5 (individual/group) for any event, either event will be merged or cancelled.

In case of number of registered participants will be less than 10 (individual/group) for any event, only one prize will be declared and given away the prizes.

No argument and claim against the final decision of judges/jury and event coordinator will be entertained.

Change of rules as well as judging criteria are solely rights of the organizing institute.

As the certificate will be issued from GTU therefore no corrections will be entertained from organizing institute.

BHGCET campus is purely tobacco free campus and any body found in possession or use of tobacco will be debarred from all the events and have to leave the campus.
